FIG 6B

A hand-drawn schematic diagram of a medical device, likely a catheter or probe. The device features a main body with a curved tip, a long flexible tube extending from the top, and a separate component labeled '101' at the bottom. Various parts are labeled with alphanumeric codes: '101' at the top left, '100,200,300' below it, '601' on the right side, '111' in the center, '601' on the left side, '101' at the bottom left, 'x01' and '501' near the bottom center, and '101' at the bottom right. The drawing is a simple line sketch on a white background.
